Rosemary shows its Radiance

July 7, 2016 - RoseGlen Rural Estates announced the winners of their inaugural Radiance Awards during Canada Day celebrations. The idea for the awards came from Eusebia Kiedrowski, On-Site Manager at RoseGlen Rural Estates.

“It’s a way to recognize the hard work people in Rosemary put into making their yards beautiful,” she said. “We just felt, with all that effort, why not recognize them.”

There were four categories for the Radiance Awards with Cheryl Spicer chosen for the RoseGlen Rural Estates category (special mention to Patrick and Cindy Grindley); Lousie and Danny LaPointe for the Village of Rosemary category (special mention to Mary Johnson); the Rosemary Store for the Business category (special mention to the Rosemary Recplex); and Henry and Carol Dyck for the Cottonwood Court category (special mention to Jeremy and Rachel Sillito).

Each winner received a \$25 gift certificate to be used at any Rosemary business. A special draw was also held for each person that submitted an entry, and Loreen Forrest won a portrait session with RyKie Images & Events.

“We’re most definitely going to have the Radiance Awards become an annual event,” Kiedrowski said. “There’s just so much excitement in Rosemary - especially leading up to Canada Day!”

The Radiance Awards ran through June, leading up to the community’s largest and most popular event - Canada Day - which attracts hundreds of people from all over the province.
