LOCAL PHOTOGRAPHER GIVES BACK

Provides further initiative to shop local

Duchess, AB, December 7, 2017– RyKie Images & Events proves once again the added benefits to shopping local. Each year, the Newell Region company partners with local business to donate time and money for fundraising ventures.

“I believe in giving back to the community that sustains my business,” said Ryan Kiedrowski, owner of RyKie Images & Events.

From being a prize donor to the Rotary Radio Days and the BAPS Claus for Paws Radiothon, to covering the Burst of Colour Run in Rosemary, RyKie Images & Event has been part of many local initiatives. New this year was being chosen as a Canadian Badlands Tourism Ambassador, which allowed Kiedrowski the chance to share his passion of promoting local tourism on a larger scale. Another fundraiser that brought \$1000 to the local campaign to make kidney dialysis a reality saw RyKie Images & Events partner with Gus’ Pizza & Steakhouse.

“It may be tempting to utilize services outside our area, but what are they contributing back? It’s always been a priority for my company to support local,” Kiedrowski explained.

Over the years, RyKie Images & Events has been part of Bailey’s Ride, the 2017 Southern Alberta Summer Games, Power Up Brooks, the Chamber’s Small Business Awards, the March 21 Unity Walk, Giving Back to Fort Mac Fundraiser, Canada Day festivities and the annual Rodeo Parade, to name a few.
